Local students selected for 2022 Youth Leadership Program

Three area high school juniors were recently selected through an interview process to represent Central Electric Power Association during an upcoming statewide leadership workshop in Jackson, and the annual National Rural Electric Cooperative Association Youth Tour in Washington, D.C. this summer.

Now in its 34th year, the Electric Cooperatives of Mississippi Youth Leadership Program is an enjoyable educational experience that makes a lasting impact on participants.

The program seeks to:

- Help students develop the confidence and ability to become better leaders in their schools and communities;
- Stimulate their interest in governmental affairs and encourage their participation in the democratic process;
- Inform them about their electric cooperative, the cooperative form of business, and the distribution of electricity;
- Foster interaction among students from communities throughout Mississippi and the nation

Central Electric Power Association congratulates these students!
