Central Electric Continues Restoration Efforts

Central Electric continues restoration efforts following the severe weather event that affected our service area. Significant progress was made yesterday.

Crews continue to work in each district to restore power as quickly and safely as possible. Additional outside assistance is arriving today from Alcorn County Electric Power Association, East Mississippi Electric Power Association, and Southern Pine Electric.

As of 9:30 a.m., Central Electric Power Association has **1,967** members without electric service as crews continue to work to restore power to our members.

The following is a breakdown of the outages by county:

Leake County – 365
Attala County - 5
Neshoba County – 360
Newton County – 185
Rankin County – 90
Scott County – 962

To report an outage, please visit www.centralepa.com and click on Report an Outage or call (601) 267-3043.

As a safety reminder, please stay away from downed power lines. We ask for your patience during this time as we work to restore power to our members.

Please visit www.centralepa.com or tune in to your local radio station for outage information.

Central Electric Power Association serves over 36,000 accounts in a seven-county area in central Mississippi, including Attala, Kemper, Leake, Neshoba, Newton, Rankin and Scott counties.
