## **Central Electric Reports Outages throughout Its Service Area**

As Hurricane Francine passed through our service area early this morning, Central Electric Power Association (CEPA) had over 5,300 members without power due to strong winds and heavy rain. Restoration efforts began as CEPA promptly mobilized their field operations staff.

As of 5:00 p.m., Central Electric has 320 members without electric service as crews continue to work to restore power.

To report an outage, please visit [www.centralepa.com](http://www.centralepa.com) and click on Report an Outage or call (601) 267-3043.

We thank our members for their patience and cooperation as we restore power throughout our service area.

Central Electric Power Association serves over 38,000 accounts in a seven-county area in central Mississippi, including Attala, Kemper, Leake, Neshoba, Newton, Rankin and Scott counties.
